Pa.II is a Nigerian born singer/songwriter AND producer currently residing in Toronto and Sudbury Ontario. His sound is a blend of genres (R&B, Dancehall, hip-hop and Afrobeats primarily) making for a versatile artist.

His soft yet strong vocals, thought provoking lyrics, intricate beat production are markers of his work; his multicultural upbringing reflected in his command of many genres and musical styles. His work is themed with romance, devotion and a proclivity for bluster. Pa.II's self assurance and sensual nature lends itself heavily to his endearing sound.

Pa.II started out at The Remix Project in 2013, where he amassed knowledge of his craft and since produced records raved about both in the north and south. He soon got on the scene with a three part self produced EP- ILLAH X,Y,Z in 2014 while living in Toronto, shortly after which he launched Nyama Nyama Sound. Juggling his architectural studies, he released a sophomore EP in 2021.

He has since worked with artists such as Dolothe gifted, DJ Damiger, Lady Donli, B.O.S, Aj Styles, B.A.Y.O and many others.

2022, saw him featured in Shifter Magazine and Pulse.ng, following his release of "Bad Boy Outside". In 2023, he performed at Northern Lights Festival, River & Sky and Up Here Festival as part of his summer tour.

Now a full time creative, his new project, ILLAH U, follows a summer tour and promises to uncover a resolute yearning for a romance, the allure of love, personal determination to secure affairs of the heart.
